

Curriculum Vitae

NAME

Akira Ushiyama

CONTACT DETAILS

Department of Environmental Health,

National Institute of Public Health

2-3-6 Minami, Wako City, Saitama, Japan 351-0197

ushiyama.a.aa@niph.go.jp

tel +81-48-458-6254

DEGREES

1991 B.Sci. degree in Biochemistry from Saitama University, Japan

1993 M.Sci. degree in Bioscience from Tokyo Institute of Technology (TIT), Japan

1996 Ph.D. degree in Bioscience from Tokyo Institute of Technology (TIT), Japan

1997 MPH degree from National Institute of Public Health, Japan

CURRENT AND PRIOR POSITIONS

Apr. 1996 to Aug. 2000: Researcher in Department of Physiological Hygiene, National Institute of Public Health, Japan

Sep. 2000 to Aug. 2001: Visiting researcher in Edwin L. Steele Laboratory, Massachusetts General Hospital, Harvard Medical School, Boston, USA

Sep.2001 to Mar. 2007: Senior Researcher in Department of Environmental Health, National Institute of Public Health, Saitama, Japan

Apr. 2007 to Mar. 2019: Chief Senior Researcher in Department of Environmental Health, National Institute of Public Health, Saitama, Japan

Apr. 2019 to Mar. 2021: Research Managing Director, National Institute of Public Health, Saitama, Japan

Apr.2021 to current: Director, in Department of Environmental Health, National Institute of Public Health, Saitama, Japan

CURRENT SCIENTIFIC ACTIVITY RELATED ON BIOELECTROMAGNETICS

(1) Research

Project title: A feasibility study on the standardization of research designs to assess possible health hazards of exposure to EMF

Funding: Ministry of International Affairs and Communication

Principal Investigator: Yukihsa Suzuki

Co-Investigators: Masateru Ikehata, Kenji Hattori, **Akira Ushiyama**

(2) Contribution as Experts for National Authority

Committee member of Ministry of International Affairs and Communication

(3) Contribution as Experts for International Authority

Member of International Advisory Committee of WHO EMF project (representative of Japan)

Member of WHO task group on Radiofrequency Fields and Health Monograph

(4) Contribution to Society

Associate editor of "Bioelectromagnetics"

RELEVANT SCIENTIFIC PUBLICATIONS

Research article (*limited to the peer-review journal and the thesis of bioelectromagnetics research)
